1. Nothing significant or otherwise to report. Two irrelevant notes, however, of possible interest. Half of the male professional faculty (staff and contract) had an evening dinner meeting on Wednesday at home of C/LAS. A similar meeting with the other half will be held in several weeks. Also, for reasons unknown, we have been invited to attend a Conference on the Caribbean (Theme-Education) organized by the University of Florida in cooperation with the International Petroleum Co., Ltd. (Tempting though Florida is in December, we expect to remain in Quarters Eye).
